 - The school would like to feature all the promotion covers and is considering a digital program in order to do so.
 - Feedback from parents included suggestions to hang a “poster size” program in the room, send out the digital program early so families could have time to print them and to make a hard copy available with just the order of ceremony. A concern that families would be on their phones was also shared.

 - A written update was shared highlighting a great turn out of volunteers and \$2,000 raised.
